

On-Line Testing Packet Alaska HOSA 2020

2020 ALASKA HOSA COMPETITIVE EVENTS ON-LINE TESTING OVERVIEW

To maximize resources for both Alaska HOSA and local school districts, Alaska HOSA is pleased to offer on-line testing for all written tests prior to the State CTSO Conference, scheduled for March 2020. This is a process Alaska HOSA has implemented with hopes that it:

- ✓ Will motivate students to start preparing early for competitions
- ✓ Keep copying costs down, thus being more “green”
- ✓ Allows students to focus on one part of the competition at a time (i.e. studying for the Round 1 test and, if qualifying, practicing the skills)

Alaska HOSA State Competitive Events Tests will be delivered via HOSA’s on-line testing system during the assigned testing period. The assigned testing period is a 12-day window: **February 17-28, 2020**. Please read this packet in its entirety, as it contains many instructions and step-by-step directions on how to make this year a smooth process.

The integrity of the tests and, subsequently, the competitions is of utmost importance. This is why Alaska HOSA requires a test Proctor that is not affiliated with the Health Science program or a HOSA chapter. **HOSA Chapter Advisors must Register their Proctor(s), see page 8 of this packet.**

A student can be registered for 3 events; only 2 can be Knowledge written tests (100 questions) (additionally, the State Officer Tests is not counted toward the 2-test limit). There is no limit to the number of students a chapter can register for an on-line test. (Except, only 3 teams per chapter for HOSA Bowl, which has a Round One written-online test, and only 3 candidates can eventually apply to be a State Officer from any chapter. Sign up any interested student up for the State Officer Test, but only 3 send in applications.

Let the HOSA State Advisor know if you have any questions and stay tuned for more details!

Things to Know About On-line Testing

All tests will be available at any time during the twelve-day testing window. A Proctor (**non-Health Science/non-HOSA adult**) must be available to access the on-line system. Test sessions will be timed in accordance with HOSA guidelines.

The entire test is accessible throughout the test session. Please review the use of scroll bars with competitors prior to testing and remind them **not** to close the testing window (**don't click on the "X"!**). Closing the test window terminates the test without scoring. Should you have problems submitting the test, **do not close (X) the testing window.**

If you experience difficulty while accessing the system or during the testing session, contact Andrea Gelvin at 907-978-6574.

Although a competitor's test will be scored upon submission, the score will not be available to the competitor or the advisor. The HOSA State Advisor will e-mail the Chapter Advisors with the list of those competitors who are going onto Round 2.
